To whom it may concern:

This letter verifies that the company named **below** has commenced the development of a quality management system to meet the requirements of ISO 9001:2000. The system addresses all key operational and quality related processes, and will be in place by July 2006 latest. A full implementation programme is planned, leading to certification by an accredited assessment body such as BSI, by October 2006. Should you require any further information or details, please call the undersigned on 01782 396263.
